A 1 International Supervisor

All national licenses F, E, and D will be given by the local head referee of the country after the annual referee seminar. These licenses are valid for 12 months and have to be extended once a year.

The **international** licenses C and B will be given directly from the IRC Head referee after the international referee seminar. These licenses have to be confirmed from the IRC committee and are valid for three years. All international referees are responsible by themselves to extend their own licenses at least every third year.

The A license and finally the A1 Supervisor license will be given only by majority decision from the IRC committee, valid only with confirmation from WKF head office. These licenses are valid for three years. All international A class referees and Supervisors are responsible by themselves to extend their own licenses at least every third year.

International referee and judge: Minimum age 18 years, member in national WKF federation, national D license, attend international seminars, basically knowledge of English language is compulsory
